RE: Non-disclosure and fraudulent deception

Thankyou for your correspondence.

To/for ALL Lien Debtors and Tortfeasers this concerns

On/for all records, you're complete and absolute acquiescence in this matter is accepted whereby ALL use of the TITLE/NAME etc. et al of GAVIN JOHN MARSICH, , as registered CROWN COPYRIGHT via fraudulent and deliberate non-disclosure upon my fiduciary Mother and beneficiary Father is rendered null and void, nunc pro tunc since its inception on Gregorian calendar date of November 6th, 1964 where all contracts entered into on/before/around that date by myself/me or any living being/soul that has been/is aided / aiding / abetting / abetted in this fraud's proliferation by using this TITLE/NAME in any/all contracts with GAVIN JOHN MARSICH, have done/are doing so by omission or commission of the true facts of the fraud that it is/has been/will be from the inception/intent to commit fraud knowingly/unknowingly where ignorance is not nor ever will be a defence from/of universal laws of nature or any man made "laws/legal statutes" that defy those of creator/creation itself.

This TITLE/NAME now must be purged from all records and all profits/monies created must be destroyed/returned whereas it was never placed in a lawful repository, nor full ramifications ever disclosed where all those that have laid claims against GAVIN JOHN MARSICH have done so in absolute fraud by commission/omission ab initio. My fiduciary Mother and beneficiary Father, still living, gave me my voice where I WILL speak for them as their last will and testament as the true fruit of their divine contracts/labours/intent where they were wilfully defrauded, without disclosure, for the entirety of their lives where I was aided and abetted to commit fraud by them as a result of their/my being wilfully deceived. May the creator of all have mercy upon your souls for wishing ill upon all living men/women/children as well as those who are now deceased? I wish and will upon you the divine golden rule that you receive abundantly all that you have wished upon me and all who have suffered under this fraud now exposed for the mis-take it is. A fraud revealed is null and void, nunc pro tunc....

Where intent of my words belongs solely with me, assumptions otherwise are fraud. Find attached two documents written by myself outlining the nature of the fraud that has been perpetuated, first upon my parents (living) with non-disclosure of the facts surrounding registering an offspring, and perpetuated, through them, to me, now onto my children and grand children, where this fraud is brought into view whereas the CROWN/VATICAN is concerned and guilty of misleading by means of non-disclosure of the ramifications of all licenses, birth certificates, negotiable instruments etc. by church or state, that they felt, but we're never obligated to enter into and never would have entered by free will choice if full disclosure had been offered. As a result of that deception/non-disclosure, my parents unknowingly aided and abetted myself, my sister and my brother into lifelong fraud/contempt of court in all our actions with any and all use of the NAME sold/registered to the CROWN/VATICAN my sister, my brother, my son, my daughter, my grandchildren and I were made to believe was ours when, in fact, is CROWN/VATICAN COPYRIGHT, as stated clearly on the copy of the birth certificates where any use of that NAME is fraud, false identity, stolen identity, contempt of court etc. ad infinitude. For further clarification of this, the attached documents outline this clearly where it has been my wish to not commit fraud where the AGENTS of your state insists I do based on its ignorance of this fact and are thus furthering the commissions of fraud via all and any documents thereafter.

P.S: Also note that I have my own name and is not, nor ever will be given (gift) to any State or church in any legal sense and does not resemble the one owned by the CROWN/VATICAN COPYRIGHT where a mistaken identity or gender may or is concerned. I look forward to you correcting this fraud immediately and await correspondence confirming your actions in this matter lest the fraud leave you with "unclean hands",

Notice of First And Final Warning

Notice to Principal is Notice to Agent; Notice to Agent is Notice to Principal

The Commercial Lien Process

A Common Law Commercial Lien is a process that any Living Being can employ in order to obtain **lawful** remedy from the actions of another Living Being(s) who have – or have attempted to – **or have conspired to** - damage said Living Being in some way. Such wrongs are known as “torts”, and are the subject of Tort Law. This includes ‘harassment’, such as ‘threats with menaces’, which is considered to be ‘psychological damage’, and also ‘defamation of character’, which is also considered to ‘damage a reputation’. The reason for this is very simple: Since all are equal under the LAW, then each Living Being has a Duty of Care to each other Living Being, such as to make sure that – whatever action we take towards each other – we have the Common Law behind those actions, and thus can live together in peace. Abrogating said Duty of Care is a CRIMINAL ACT, and constitutes a tort.

I believe that you have created a tort, or torts, against My Living Self.

The Commercial Lien process is a construct of the Common Law (The Law-of-the-Land), and New Zealand is a Common Law jurisdiction (being, as it is, on Land). Thus any Living Being residing in this Country is subject to the Common Law **above all else**. And that includes the individual(s), to whom this Notice is addressed.

The process comprises:

The subject of the harassment (myself in this case), will write a Statement of Truth (Affidavit), **under penalty of perjury**. This being the case, what I will write will be **“the truth, the whole truth, and nothing but the truth”**, and will thus be **based on first-hand knowledge**.

You will be sent a copy of this Affidavit, comprising my allegations. You will have to REBUT EACH POINT in order to ward off the possibility of a Lien. You will be given 30 (thirty) days to do so, but I can assure you that you will not be able to rebut EVEN ONE SINGLE POINT. You will need to rebut by means of a sworn Affidavit of your own, written under the same criteria, namely: **From first-hand knowledge, and under penalty of perjury**.

Any points you manage to rebut will be removed from my allegations, and the remainder kept as my final Affidavit. The result will be Notarised (by a Notary Public) to become My Statement of Truth, which will not only become THE TRUTH, IN LAW – but will also become A JUDGMENT, IN LAW.

That being the case, no Hearing will be required. **Because the judgement has already been made by the truth.** (That’s Common Law!)

I will then place a Public Advertisement, warning whomsoever may be concerned, that your creditworthiness is henceforth highly suspect. I will inform Credit Reference Agencies to this effect. I would then be LAWFULLY ENTITLED TO SIEZE ANY OF YOUR PROPERTY, up to (and including) the value of the Lien.

This process will occur in a LAWFUL manner – because you are given the chance to REBUT IN SUBSTANCE - and I will thus retain entirely ‘clean hands’ (unlike yourselves, which is why your mechanism is UNLAWFUL, and why I am able to counter it by this LAWFUL means).

As footnotes, I should add that:

By Gavin John: of the family Marsich (Affiant)

Page 3 of 14

ld

Even if I make an honest mistake, WHICH YOU FAILED TO REBUT, my mistake BECOMES THE TRUTH, IN LAW. You will not be able to claim 'libel', 'slander', etc, because you were given thirty days to rebut the allegations, before public announcement.

By a failure to REBUT IN SUBSTANCE you would have tacitly acquiesced to my Statements as Truths, in Law. REBUT IN SUBSTANCE does not comprise simply dismissing my allegations. That is mere gainsaying. "IN SUBSTANCE" means "accompanying with HARD proofs" (in this case, "to the contrary"). As a part of the Lien, I will demand a substantial sum in recompense/settlement of the damages.

Being Common Law construct, the only way this Lien can be removed is:

- By Full Payment ... in which case I will remove it
- The passage of 99 years
- The verdict of a Jury of 12, deciding that the Lien should not have been imposed. But this will require YOU to take ME to a Court de Jure (Common Law Court) ... whereupon I will be able to explain (to said Jury) exactly how you took actions which comprised the tort(s) against me WITHOUT ANY LAWFUL EXCUSE WHATSOEVER. DO NOT, UNDER ANY CIRCUMSTANCES, ASSUME THAT ANY JUDGE CAN REMOVE A LIEN. A JUDGE CANNOT DO THAT, AND JUDGES KNOW THAT (because it is a Common Law, NOT A STATUTORY, process)

This was your last and final warning. If I receive one further communication from any of your Agents by means of mail, phone call, or knocks on my door, then I will undertake the Commercial Lien process against those individual(s) to whom this Notice is addressed.

That being the case, I suggest that you take full Notice of this Notice, and immediately cease & desist from your UNLAWFUL actions in respect of My Self and your enslavement policies, licenses, registrations, copyrights, patents, trademarks and any Statutory Acts, Admiral and Commerce Laws. You will find, in the future, that you will need to contend with this Commercial Lien process more frequently as time goes on, and more people discover it. Now might be a very good time to find yourself a decent, honest, upright, honourable job - instead of the thoroughly despicable, dishonest, and downright FRAUDULENT one you currently get away with.

If you wanted an obligation from me, you should have requested it - before doing ANYTHING else. *It's far too late now.* To carry on, under the gross mis-assumption that you have such an obligation, is simply CRIMINAL. And, if you persist, you will eventually pay very dearly.

Sincerely, without ill-will, frivolity or vexation,

Gavin John: of the Marsich family, as commonly called, Aotearoa Sovereign, and subject SOLEY to The Common Law. Without any admission of any liability whatsoever, and with all Natural Indefeasible Rights reserved.

being liened for a minimum of \$10,000,000.000.00 (Ten Billion Dollars) each and the individual person(s) cited Lien Debtors are being liened for a minimum of \$10,000,000.00 (Ten Million Dollars) each. This Notice is to inform whomsoever may be concerned that the creditworthiness of these Tortfeasor is, henceforth, highly suspect, until the Lien lapses - or is, by some other means, removed.

Notice to Principal is Notice to Agent; Notice to Agent is Notice to Principal.

I, Gavin John: of the family Marsich (as commonly called), being the Undersigned, do solemnly and honestly swear, declare, and depose:

1. THAT I am competent to state the matters set forth herein.
2. THAT I have first-hand knowledge of the facts stated herein.
3. THAT all the facts stated herein are true, correct, and certain, admissible as evidence, and if called upon as a witness, I will testify to their veracity.
4. THAT the eternal, unchanged principles of Law are:
 - a) A workman is worthy of his hire.
 - b) All are equal under the Law.
 - c) In Law, truth is sovereign.
 - d) Truth is expressed in the form of an Affidavit.
 - e) An un rebutted Affidavit stands as truth in Law.
 - f) An un rebutted Affidavit becomes the judgment in Law.
 - g) All matters must be expressed to be resolved.
 - h) He who leaves the battlefield first loses by default.
 - i) Sacrifice is the measure of credibility.
 - j) A lien or claim can be satisfied only through an Affidavit by a point-for-point rebuttal, resolution by Jury or payment.
5. THAT Commercial processes (including this Affidavit and the required responses to it) ARE NON-JUDICIAL and pre-judicial because:
 - I. No judge, court, government or any agencies thereof, or any other third parties whatsoever, can abrogate anyone's Affidavit of Truth; and
 - II. Only a party affected by an Affidavit can speak and act for themselves and is solely responsible for responding with their own Affidavit of Truth, which no one else can do for them.
6. THAT the lawful seizure, collection, and transfer of ownership of money or property must be effected by means of a valid Commercial Lien.
7. THAT I am not the creation or chattel property of any person or any government agency whatsoever. I am not under any obligation whatsoever to any governmental agency, state or federal (i.e. union), or any of their self-passed laws, statutes, regulations or policies.
8. THAT any and all of the various papers, documents, adhesion contracts, or "agreements" I may have signed with any government agency or entity or any others that might be construed to indicate a conclusion contrary to my herein-below assertions were made, signed by me on the basis of mistake due to lack of full disclosure creating a deliberate lack of full knowledge, a deliberate action of fraud, non-disclosure, concealment of material fact, and misrepresentation. Such action thereby creates a stressful situation of duress and intimidation, vitiating all documents by such action of fraud.

9. THAT it is the sincerest belief and spiritual conviction of this Affiant that slavery and peonage are immoral, are violations of the First Precept of Commercial Law ("a workman is worthy of his hire"), that fraud, misrepresentation, nondisclosure, intimidation, deceit, concealment of material fact, lying, and treachery are morally wrong.
10. THAT I have absolutely no desire whatsoever to be a "client" (slave) of any governmental agency, state or federal (i.e. union), or any of their Principals or Agents, or "New Zealand," or Affiliates, or to incur any debts or obligations to said entities for whatever "benefits" said entities might purpose to provide or seek to provide to this Affiant, or be directed by, subject to, or accountable to any parties other than my own conscience and best judgement for the purpose of preserving inviolate my unalienable/inalienable inalienable rights to life, liberty, freedom and property while engaging in the honourable, productive, and non-harmful activities of my life.
11. THAT I, Gavin John: of the family Marsich, am the sole and absolute owner of myself, my body, and my estate, and possess unconditional, allodial, sovereign title thereto, and that I abjure, renounce, forsake, and disavow utterly and absolutely now and forever all presumptions of power, authority, or right by any governmental agency, its Principals, over the rights, life, liberty, freedom or property of this Affiant from whatever source presumed or derived.
12. THAT I, the Affiant, am NOT a Legal Fiction Person (as defined in a Law Dictionary) "Gavin John Marsich" as being a Corporate Entity (incorporated or non-incorporated) or some other kind of Partnership, BUT INSTEAD a living breathing, sovereign, flesh and blood Living Being with a living soul, with a distinct Mind that is capable of possessing personal knowledge commonly called Gavin John: (of the family Marsich, when necessary to distinguish my Clan).
13. Specimen complaints, detailed torts, etc.
- a) THAT, Crimes of THEFT, PERJURY and FRAUD have been committed against my parents Ivan John Marsich and Frances Marsich to obtain a pecuniary advantage by deception and non-disclosure to enslave their children, one whom is I, Gavin John Marsich, a Natural Living Being, Flesh and Blood Man and Sovereign Being of the Land of Aotearoa by means of identity theft and registering an Artificial Fictional Person (Dead Entity) as a Corporate Business Entity in the mirror identity "Gavin John MARSICH" (Capital Letters), being the copyright owned by the CROWN/VATICAN, and if my parents were given full disclosure of the Cestui Que Vie Act 1666, would NOT have willingly entered into contract with the Cestui Que Vie Trust of the CROWN/VATICAN. Therefore the individuals and corporations in the "List of Lien Debtors or Tortfeasors" have aided and abetted in the use of the name Gavin John of the family Marsich. Crimes Act 1961, Part 5, Section 98 and 98AA.
