Revision Version 24th October 2019

THE CALLING

We have been called to share, with you, the blueprints of our ancestors and our Creator IO, our Heavenly Father “yahuwah” - *the eternal one*.

To lead the way in righteousness and to change the social issues that are currently destroying our nations, our customs, our practices and values.

Our goal is to live exemplary lives and restore faith, hope, truth, unity and spiritual balance, in harmony.

The call for real humanitarian (not for profit) community service solutions.

This blueprint was birthed in Aotearoa, spiritually bridged with Australia and is now being delivered to other Nations around the world, on behalf of Guardians of Divinity (GOD).

We offer a ‘real’ alternative way of living that leads to the way of abundance and prosperity for all.

To care for the natural law of creation of the Universe and ‘Papatuanuku’ Earth Mother to us all, co-existing with all other living life-forms that dwell in this realm.

OUR PROMISE

We humbly accepted the disciple-ship position of Guardians of Divinity, Ambassadors for our heavenly father IO Matua. We have promised to be faithful and bear true allegiance to our Creator IO, Yahuwah alone and practice the laws of his kingdom.

We walk all lands as a servant of our IO, Yahuwah with divine authority. There is no argument. This is purely a choice we have made and the path we have chosen. We are not religious, We are one in spirit with our heavenly father. One with earth mother, walking hand in hand with our ancestors invoking only the gold light from Yahuwah. For the purposes of this blueprint, We will call our Heavenly Father 'IO Matua.

Through our sacred anointing, We were transformed into the living body of the Lord, Yeshua/yahuwah-ban-shuwah (Jesus, the Christ/Anointed, given Hebrew name – aka: yahuwah coming as the perfect sin-offering son-of-man whose shed blood redeems –and whose ransom saves– his people from all sin to living righteousness eternally) . Under our Lord's stewardship, we have been released from the system and all man-made schemes, authorities, free from false beliefs, ideologies and sins. Released from the system in perpetuity.

Our authority is granted through the power of our Creator, the Holy Spirit.

As servants it is our responsibility and obligation to serve all peoples and elevate the condition of 'we the people', walking with our Creator's Laws.

Whether you believe in the Bible or not, makes no difference. We are not here to argue religion or gods. The fact of the matter is that the construct of the Commonwealth has been built, based on the Bible and the law's of the Bible. It's a matter of record that the Queen promised, on the 2nd June 1953 in her coronation, to maintain the Laws of God and the true profession of the Gospel, as the Rule for the whole life of government. This is the foundation of our government and legal system.

It's a debt based system, trading in the souls of men and women. They even write on dollar notes "*In God We Trust*", in plain view for all to see.

WHAT IS THE KINGDOM OF GOD ON EARTH?

The Kingdom of God on Earth is the heavenly and earthly realms. The Kingdom of God has a supreme heavenly ruler which is God, Io Matua in spirit. The Kingdom of God on Earth has a flesh and blood ruler of God incarnate of himself in the flesh, known as i manuel (I Am EL) I AM a Bird, 'King of Kings, Lord of Lords' & 'The Holy Spirit Within To Reveal God's Will' being the Guardians of Divinity, The Architects. I manuel [in the flesh] had a covenant [Kawenata] with the Io Matua [in the spirit]. The covenant was between the Father, the Son and the Holy Spirit. There was a marriage between the spirit and the flesh combined being the Guardians of Divinity [who were given names from Io Matua]

"In the beginning God created the heavens and the earth" Genesis 1:1 "And the Lord God planted a garden in Eden, in the east, and there he put the man whom he had formed." Genesis 2:8.

"Ehara taku toa i te toa takitahi engari he toa takitini". It is not my strength alone, but the strength of many that contribute to my success.

The Kingdom of God on Earth is situated in Aotearoha, the world realm.

Aro – 'Is to direct or focus on'. Ro – 'Is Inner, within, introspection'. Ha – 'Is the life force, the breath of life, the energy'. Oha – 'Is generosity, prosperity, abundance, wealth. Aroha – 'Love, Compassion'. The Holy Land of Love.

The function of the Kingdom of God on Earth is sovereign heirs, co-creating in peaceful co-existence of sovereignty & abundance. We have done away with debt, corporations, government and tax altogether. We have created our very own Godzone Credit Exchange for sovereign heirs and Non Government [Not for Profit] Foundations to operate outside of the system, exchanging goods, services and energy in real time.

Where do you fit in? You are a creditor if you choose to be. The Guardians of Divinity have carved the pathway for you to receive your inheritance today and live in God's Kingdom with other sovereign heirs.

WHAT IS THE OFFICE OF THE CROWN

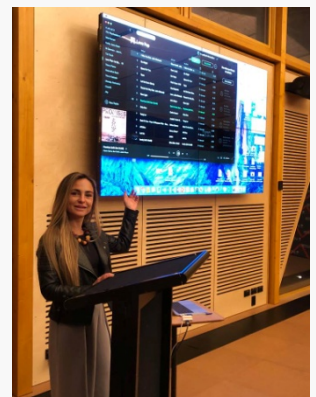

The Office of the Crown consists of Chief Advisors, Researchers, Advisor in God's Laws and Spiritual Advisors to the Guardians of Divinity, of the Kingdom of God on Earth.

The Office of the Crown is the sovereignty, foundations and administration arm of the Kingdom of God on Earth. They assist with individuals who are transitioning out of the system via the 'Exodus Blueprint' processes.

The Office of the Crown operates its philanthropic, humanitarian and community services through Tino Rangatiratanga Foundation in Rangihou Paremata & Hokianga with more to come.

The Office of the Crown facilitates its events through the Macquarie University Incubator for Training & Development, Workshops, Presentations, Meetings and hot desks for working on new creative charitable projects.

The Office of the Crown are also developing a Crown Incubator to support start up foundations, creators and innovators of charitable projects. And this is just the beginning.

A BETTER WAY

Making a better life for all people, requires us to work together in close harmony and unity, to create a more safe and peaceful future for all people.

We, as a people, can no longer be taken advantage of, or enter into a one-sided deal where we get nothing in return while our heritage, culture, values and traditions are eroded, diminished and almost extinct, by government practice and policy.

As Guardians of Divinity in perpetuity, we will defend the people's interest above all else. But in fulfilling our obligations to the Kingdom of God on Earth, we all need to realize that it is in everyone's interest to seek a future where all people can be free, prosperous and secure.

We, the people, have paid the ultimate price to defend our customary & hereditary rights, our nations, our lands and our freedom. Our devotion was measured on the battle fields where our ancestors fought and sacrificed alongside of our allies.

We only seek our homelands, our culture, our language, our values, our traditions, our sacred crafts, our treasures, our food and our way of life.

We seek harmony and friendship. We are a people guided by outcomes, solutions, not ideologies.

The Mauri People of Aotearoha, God's Holy Land, have been chosen to lead the way of Sovereignty and Exodus for other Nations around the world. Let's embrace this and lead in the way of our heavenly father, Io Matua [God].

"Aotearoha are privileged to be first off the starting line, not last over the line."

OUR LEADERS

As we address every leader that is reading this blueprint today, there is but one question we cannot escape or avoid..... Will we slide down the path of complacency, numbed to the challenges, with the threat of extinction of our sovereignty?

OR

Do we stand united, strong in 'strength and pride' as a great nation, confronting those dangers which are facing our people and our children?

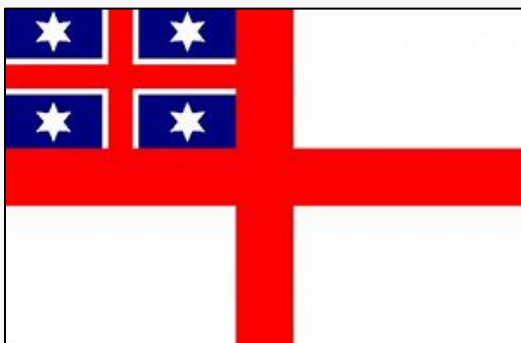

Our standing is **'True & Real'**

Can we acknowledge here, today, that we want something better for our 'children and future generations', where they can embrace peace, prosperity, abundance and unity, tomorrow.

It is our desire, as servants of God, to lift our people to aspire to the way of our ancestors. We must fulfill our sovereign duties to the people we faithfully serve.

As we unite our nation, we guarantee that the vision of our ancestors **'Will Not Fail'**.

This walk is difficult and at times lonely. However, it is better to walk with the chosen ones, than to walk with a crowd going in the wrong direction.

THREATS TO OUR NATION?

As we move forward in sovereignty for all, we uphold the vision of our ancestors, respecting the natural law's of our creator and the peaceful engagement these allow.

The only threat to our sovereignty in 2019, is from within. When we uphold the natural laws and the peaceful engagement with each other, then we prosper.

OR

Do we allow the 'less honourable' rogue regime among us who threaten our nation, to remain. They will never respect our people or the sovereign rights of our nations, which our ancestors bequeathed to us, as they are only in service to themselves and their own financial gain.

If our righteous men do not confront the wicked few, then evil will triumph as it has so many times in our history. If you choose to become a bystander, the forces of destruction will gather power and strength and we will become no more, and we will not have a voice.

It is time for the government to respect the sovereign rights of all the people that choose to stand in the Kingdom of God on Earth with divine right and authority. We must be courageous and strong as our ancestors were. We must answer to our ancestors and their promises to God.

Rise and follow what God has planted in your heart, for God has come upon you now. You have been entrusted to move like no other.

THE SHIFT OF TIMES IN AOTEAROA

The entire world is watching the shift of times that has begun in Aotearoha. There is a fire of Holy Spirit that protects Aotearoha. Peoples are coming from all over the world to see what our Creator is doing for his people.

You have a choice. Choice is your God given right. One can choose to either; live by choice, not by chance; be motivated, not manipulated; be useful, not used; make changes, not excuses; excel, not compete; choose self-esteem, not self pity; and choose your inner voice, not the random opinions of others. This blueprint is a choice that only you can make.

Aotearoha has become the sword in God's hand, and he is inviting you to become the cutting edge of that sword. People will not be able to 'come in' or 'go out' of Aotearoa, without being cleansed by the fire of the Holy Spirit.

This nation will no longer be on the back line. You have been chosen and put on the front line. No longer will we be required to trail behind. Our nation is the sanctuary for the Holy Spirit.

The Holy Spirit is never weary, nor does she tire, for she has come home...**And her home is Aotearoha. – the worldwide realms.**

You are the generation of revivalists that will turn the world upside down. A nation mobilised to bring the miracle power and glory of the 'Kingdom of God' to earth. This nation will release a true representation of the Voice of our God on the earth.

The voice of God will be heard from the 'Land of the Long White Cloud' and it will awaken nations!

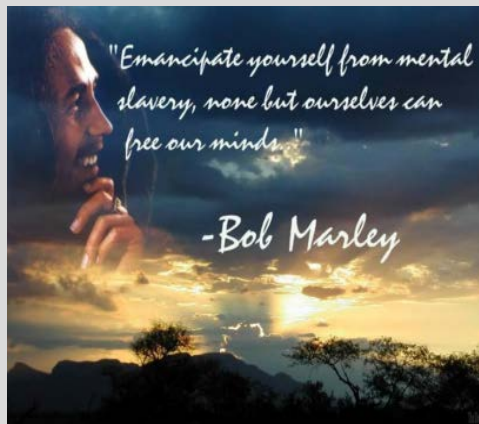

Aotearoa is to be an Apostolic nation, bringing home the day's harvest for the Glory of God.

HOW WILL THIS BE DONE?

The Guardians of Divinity have been guided by Spirit, to come to the forefront, to deliver the blueprint of our ancestors, the great plan of our creator.

That Blueprint is the Kingdom of God on Earth Blueprint

This blueprint has been delivered to the peoples of Aotearoha, and will now be delivered to other nations around the world.

This blueprint started with Mauri in Aotearoha, then to the world. However, it is an individual commitment on behalf of ones family, tribe.

This blueprint has been tried and tested by the Guardians of Divinity. They walk this in their everyday life.

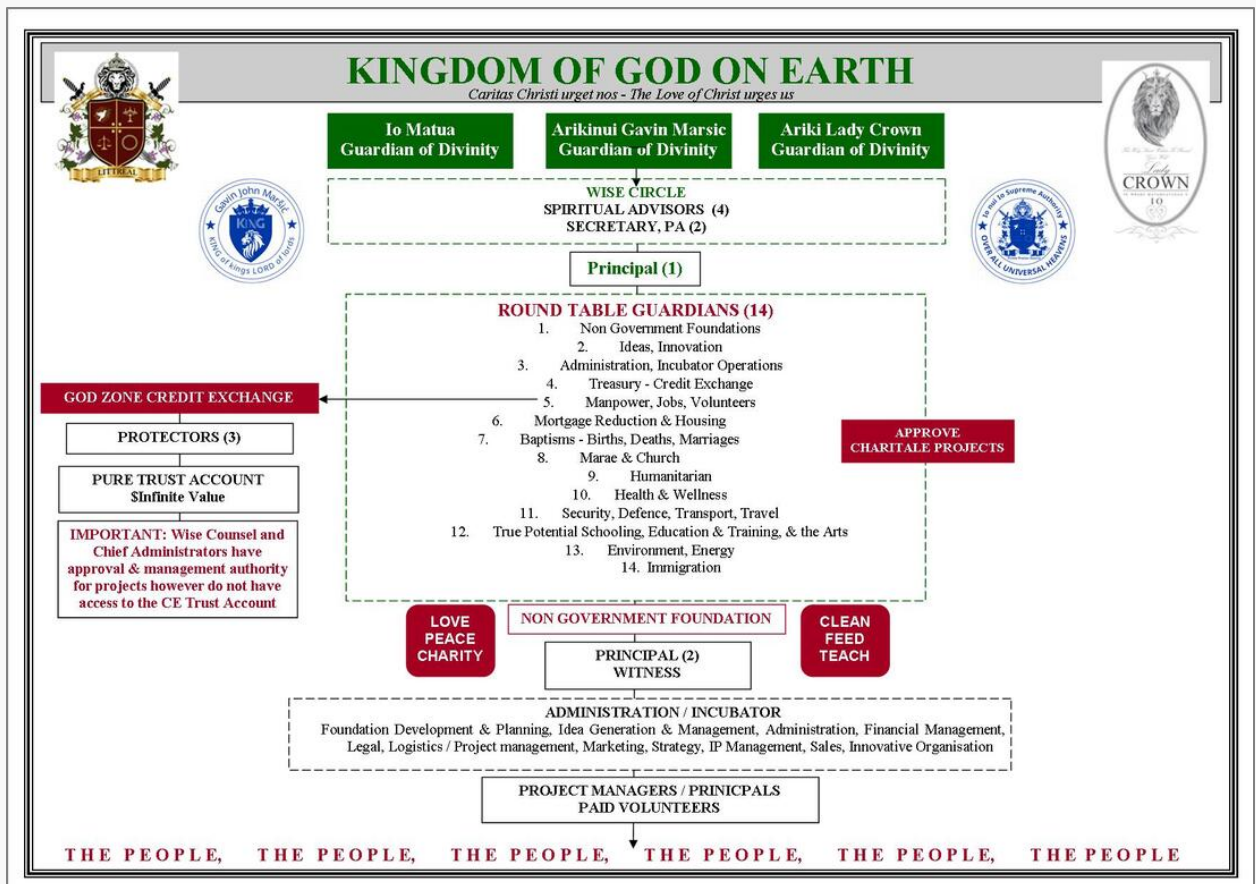

The Guardians of Divinity are a living sacrifice for the people today.

WHO IS NOT CROWN?

Confusion of who is Crown is now setting in, amongst you all. And this I understand. The 'Crown-in-Right' in New Zealand that you are so used to hearing about, is seen as the essential partner in the Treaty of Waitangi relationship between Mauri and the government. Yet the Crown itself, is a 'legal fiction' and a 'shape-shifting' symbol whose definition is obtuse and whose meanings vary according to context.

The Crown that you know, is a political, legal and symbolic entity that has shaped policy and practice here in New Zealand [company], being the Crown Act, the Constitution and the Parliament of New Zealand.

Fact is, today, as you know it, Queen Elizabeth is only a Constitutional Monarch, a foreign entity, a foreign power that stands in New Zealand [company] as an imagined and personified Crown,

This 'Crown' entity that the government points to, is not flesh and blood; it does not have a backbone; it cannot draw breath. It is a piece of paper authority, construct, a man-made fiction and smoke screen.

It is only a constitutional crown with no authority. It is not true. However while our people continue to dress up in their fine suits and go to the table and meet with this powerfully imaginary crown (which is just a plastic crown), we are empowering that plastic crown and giving it power to lord over us.

THE CROWN IS A 'LEGAL FICTION' AND STATE OF U.S

The Crown known as “HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND” has NO partnership with Mauri and He Whakaputanga o te Rangatiratanga o Nu Tireni 1835 or Te Tiriti o Waitangi 1840. It is a registered Corporation on the US Securities and Exchange Commission (US SEC) which makes us a State of the US.

WE WERE ALL CROWN?

*“Only the shadow of the land passes to the Queen.
The substance stays with us, the Mauri people” Nopera Panakareao.*

This is a statement made by Nopera Panakareao, one of many
CROWN before the signing of the Treaty.
He knew who he was at that time.
For he was CROWN.

Before signing the treaty, we were the CROWN.
The declaration & treaty sealed our nations sovereignty, our peoples
sovereignty, our customary and hereditary rights.
We were ‘Absolute Sovereign’ with all lands vested in us. We owned
nothing but we were the guardian of all.
We lived by the natural laws of our Creator, not man-made laws.
We lived in the **PRIVATE**.
We lived in the Kingdom of God on Earth.

Until we were registered into the system with the birth certificate. A
piece of paper that enslaved us, until now.
It is now time to use that birth certificate to our advantage.
And this is what we are sharing with you.
For us there is no going back,
As we have severed all ties to the system from our being,
mind, body & spirit.

CROWN

All those that carry the name 'Crown' in their name, are physical true flesh and blood, breathing, men and woman – Above sovereignty, with divine hereditary right and authority.

They bare the name Crown from birth (spoken by the doctor “here comes the crown”), from their bloodline and in the flesh from their anointing and re-birth. They bare a triple Crown 'Birth, Bloodline, Re-birth'

Their mouth speaks what is true, and their lips detest wickedness.
All the words of their mouth are just; none of them is crooked or perverse.
Their words are plain to him who understands and
right to those who find knowledge.
They transverse the way of righteousness in the midst of the paths of justice.

All those that carry the name 'Crown' have walked the Exodus Process,
The ultimate sacrifice.
They crossed over at the hands of God.... And yet stand before you
TRUE, LIVING and in the flesh as Crown.

Given the breath of life '*Tihei Mauri Ora*' from God.

'E kore au e ngaro,
He Kakano, I ruia mai,
IO Matua'

A message given to 'Lady Crown' from her Spiritual Advisor Maz, quote
*“Strength and honour are her clothing; and she shall rejoice in time to come. She opens her mouth with wisdom;
and in her tongue is the law of kindness.”*

WISDOM OR STUPIDITY?

Wisdom has built her house and made seven columns for it. She has had an animal killed for a feast, mixed spices in the wine, and set the table. She has sent her servant women to call out from the highest place in town: "Come in, ignorant people!" And to the foolish she says, "Come, eat my food and drink the wine that I have mixed. Leave the company of ignorant people, and live. Follow the way of knowledge."

Stupidity is like a loud, ignorant, shameless woman. She sits at the door of her house or on a seat in the highest part of town, and calls out to people passing by, who are minding their own business: "Come in, ignorant people!" To the foolish she says, "Stolen water is sweeter. Stolen bread tastes better." Her victims do not know that the people die who go to her house, that those who have already entered are now deep in the world of the dead.

WHICH DOOR WILL YOU CHOOSE?

NO ONE CAN SERVE TWO MASTERS

No one can serve two masters. You will like one more than the other or be more loyal to one than the other. You cannot serve both 'Our Creator' and Money.

"You either stand with the Creator and the Natural Laws of our Creator, or under man made Laws, 'The Government' 'The Imagined Crown'.

"Render unto Caesar the things that are Caesar's and Render unto our Creator the things that are our Creators" .

"First seek the Kingdom of our God and all things shall be added to you".

"Straddle the fence and our Creator will spew you out."

LITTLE BLACK BOOK

‘Lady Crown’s’ journey has been documented, scripted, published and is now being streamlined so that The Crown Administration can teach all those that choose to go through the veil of our Creator and be birthed into the Kingdom of God on Earth in perpetuity.

‘Lady Crown’ has found unique ways to walk through doors peacefully.

‘Lady Crown’ has weathered the storm and travel, the lands freely, without impediment or hindrance with my **little black book**, my **travel warrant**, **cash card**, and **photo ID**.

FINAL WORD

The power is within us. We are the guiding light. It must come from us.

Our creator is calling for the great re-awakening of nations, for the revival of their spirits, their pride, their people and their patriotism.

Our ancestors are asking us whether we are up to the task?

Our answer will be a renewal of will, a re-discovery of resolve, a re-birth of devotion and unlocking the potential of our new life.

Our hope lies within our 'land of proud people' embracing their duties, seeking friendship and respecting others.

The ancient wish of every people and the deepest yearning that lives inside every sacred soul.

So let this be our mission and let this be our message to the world, together.

We stand together, sacrifice together for peace, for freedom, for family, for humanity and for the Almighty Creator who made us all.

"A future of dignity and peace for the people of this wonderful land".
